

A detailed cross-sectional diagram of a disk assembly. It features a central hub (50) surrounded by concentric disks (48, 54, 56). A wiper blade assembly (52) is positioned against the inner surface of disk 54. The assembly includes a wiper arm (58) and a wiper blade (50b). A wiper zone (50a) is indicated. Arrows A and B point to the outer edges of the assembly.
